Dear TWKSF members,

The old year is gone and a new year is beginning. I would like to take the opportunity to wish for an excellent 2025, with much success and peace to all our members and families.

For more than 20 years TWKSF has been strengthening our friendship and working for the Kuo Shu development in the whole world. During this time we had presidents as GM Huang, GM Richard Lee, GM Steve Martin, who together with all members which were part of the respective directories and affiliates during this whole time, with a lot of work and dedication, made us come to this success which TWKSF is today. I am very sure: it was not easy! I would like to give congratulations and send regards to everyone.

This year, I have been elected president of TWKSF. I am very honored for this and would like to thank everyone's trust and care. I will do everything possible and within my reach to continue with all members' unity. I will seek to hear suggestions and good ideas which may contribute to the joining of new affiliates and to strengthen, even more, TWKSF. I also would like to ask the support and unity of all members so we may continue maintaining TWKSF success each and every new day.

I would like to take this opportunity to invite TWKSF members to prepare their national teams for an excellent World Kuo Shu Tournament in October in Brazil. I hope to see you soon!

I count on everyone's contribution!

Thank you!

GM Li Wing Kay
